Application

Ozerna Tiger is an RKI-listed all-purpose detergent with an optical brightener when used in combination with Sept PES Konz. It is phosphate- and NTA-free. Due to its excellent surfactant combinations and state-of-the-art enzymes, Ozerna Tiger has excellent cleaning power even at low dosages. It can be combined with all washing performance enhancers and bleaching agents. With hard water, an addition of 2 ml / kg Lizerna Active Green or Element K is required.

Dosing	Degree of contamination		
	Water hardness	light	middle
0 - 8.4	4	7	9
8.5 - 14	6	9	11
> 14	6	9	11

The application quantity refers to g / kg dry laundry.
You can find out the degree of hardness or water hardness in degrees of German hardness from your local water company.

Technical data

pH-value	Bulk weight
11,5	ca. 900 kg / m ³
